

You are warmly invited to join us at the West Coast Homeopathic Society's **Autumn Homeopathy Get-together on Friday, September 13** at 6 pm. There will be new people to meet and a chance to re-connect with friends, colleagues, and lovers of homeopathy - as well as an important professional education lecture to further your practice of homeopathy.

**WHEN?** We will start at 6 pm and end around 8 pm. From 6:00 to 6:30 pm we will meet for social time, then an advanced-level seminar with Ram Saini will begin, followed by a question & answer period.

**WHAT?** Ram Saini, RCHom will present a professional talk entitled "**Homeopathy and Qualities of Mind**," which will cover how to recognize the distortions in the healthy qualities of mind during sickness? How a case is influenced by such distortions will be illustrated by case studies and discussed through your questions.

**WHERE?** We will meet in the reception area of Sukhi Bath Motors, 15437 Fraser Highway in Surrey (Punjab Bhawan). Note that this is an auto dealership, with a meeting space on the side that we will be using.

**WHO?** Everyone with an interest in homeopathy is invited, though the focus will be directed at professionals who practice classical homeopathy.

**Though this will be a free event, donations to support WCHS will be welcome.**

Let us know at [homeopathy@wchs.info](mailto:homeopathy@wchs.info) if you're coming so we can plan for seating and refreshments. Also, please help spread our invitation by sharing this announcement!!
